

Memorandum

To: Our Industry Partners
From: Chase McAllister
Date: 23 March 2020
Subject: Eagle Group is **OPEN**

We hope this note finds you all in good health. As you may have heard, Delaware’s governor issued a Stay-at-Home order, closing non-essential business effective Tuesday, March 24th at 8am. Only those businesses classified as essential are permitted to remain open.

Eagle Group has been classified as an essential business and will remain open.

Our company is closely following the guidance of local and federal health officials at the Centers for Disease Control and Prevention, as well as the World Health Organization. Though the situation is developing and rapidly changing, our goal is to meet or exceed all major guidelines and safety practices to keep our employees and families healthy.

During this time we remain dedicated to servicing your business and look forward to supporting you into the future. We appreciate your considerations and concerns as this situation evolves each day and will continue to keep an open line of communication with all of our industry partners.

Thank you for your business. Be safe. Be well.

Sincerest Regards,

Chase McAllister, CFSP
Vice President of Sales
Foodservice Equipment Division
