Upon factory inspection, we guarantee to replace any shelf that is defective for a period of up to one year from the date of original installation, not to exceed 18 months from date of shipment from EAGLE, provided that it has been properly installed and maintained. If a shelf proves to be defective, or not in conformity with the specification, customers are entitled only to replacement of such unit. Under no circumstances will we be liable for any claims for labor or subsequent damage.

To the original owner, Eagle Group warrants against rust formation over more than 5% of the shelving surface as stated below following original date of installation:
