### Applications include:

Also included are dry storage areas and material handling.

### We'll Provide You With:

#### 1. Plan View -

Layout of the proposed shelving systems provided by Eagle Group.

#### After plan view is approved, we will provide the following:

#### 2. Elevation View -

Provide your customer a detailed drawing of how the assembled shelving will appear in the final phase. This will be provided after plan view is approved.

A great presentational tool which reduces field assembly time when provided to your installer.

#### 3. Quote -

Includes model numbers, net prices and shipping weights for all components in the specified job. This will be provided after plan view is approved.

#### 4. The Final Project -

This is the final outcome of a Shelf Select™ project. (picture shown above)
