#### Applications include:

Restaurants, Night Clubs,  
Casinos, Hotels and Bars.

#### We'll Provide You With:

##### 1. Plan View -

Layout of the proposed underbar equipment provided by Eagle Group.

#### After plan view is approved, we will provide the following:

##### 2. Elevation View -

Provide your customer a detailed drawing of how the assembled bar will appear upon completion. This will be provided after plan view is approved.

A great presentational tool which reduces field assembly time when provided to your installer.

##### 3. Quote -

Includes model numbers, net prices and shipping weights for all components in the specified job. This will be provided after plan view is approved.

##### 4. The Final Project -

This is the final outcome of a Spec-Bar Select™ project. *(picture shown above)*

With the Spec-Bar® bar die system, you can opt for factory plumbing and wiring to a UL-listed load center. That combined with our millwork capabilities will allow for turnkey installations.
