American Creative Solutions manufactures front of the house cabinetry, kiosks, carts, serving counters, custom refrigerated counters, trash containers, inclusive of custom wood, millwork, laminate, composite tops, and stainless steel fabrication.

We serve every area of the food service community from in-line cafeterias to restaurants to food courts to supermarkets. Our products meet or exceed those of present specifications for both the chain and consultant industry, and are high quality and competitively priced. Install, set-in-place, and project management services are available upon request.

If you are interested in reducing your capital expenditures for new stores and remodels, while at the same time maximizing your return on investments and equity then you should consider **The Eagle Group / American Creative Solutions** as one of your suppliers.
