Spec-Bar® Dump Sinks with Glass Rinser

sink with glass rinser

sink with glass rinser and dipper well

Introducing the Dump Sink with Built-In Glass Rinser! Take a glass, turn it upside-down, place it on the glass rinser, and push down to activate it. It's that easy! Powerful water jets rinse in seconds. Applicable to any drinkware—from narrow champagne flutes to wine glasses—it reaches where you can't, and takes far less time than soaking and scrubbing. Also featured are sink bowl with 1½" stainless steel IPS drain, faucet mounted to a 9"-tall backsplash, and stainless steel legs and crossbracing. Drainboard is removable for ease of cleaning.

Choose from two models: 12"-wide unit with glass rinser, and 18"-wide unit with rinser and dipper well! The dipper well features its own deck-mount faucet and 1½" stainless steel IPS drain.
