#MIC1425

Ideal for any place which serves ice cold beverages, from restaurants and bars to indoor and outdoor venues in which portability is a must, Eagle's NEW Mobile Ice Caddies will meet your needs! Stainless steel construction is durable as well as attractive. The 29" height allows for these caddies to easily fit underneath a standard-height bar or countertop. Hefty 5" casters, two with brake, allow for easy mobility. Insulated high-capacity ice bin will keep your drinks on ice for hours. Bottom pan slopes to a 1" NPS drain with ball valve.
