- Lengths available range from 36" to 96" (914 to 2438mm).
- Available in 4", 6", and 8" (102, 152, and 203mm) heights.
- All models are 2" (51mm) front-to-back.

Wall Mounted Bumper Guard Rails

#BGR-48-6
bumper guard rail

Designed to protect walls against everyday dings, scratches etc. in high-traffic areas, Eagle Group's NEW Wall Mounted Bumper Guard Rails are fixed in place, using wall-mounted hidden "z-clip" brackets that are screwed into place first and easy to install. The hidden brackets, along with the underside of the Guard Rails, ensure a solid, sturdy installation. Plus, the polished stainless steel finish adds beauty to any facility.

Bumper Guard Rails are 2" front-to-back and available in heights of 4", 6" and 8", and in lengths ranging from 36" to 96".

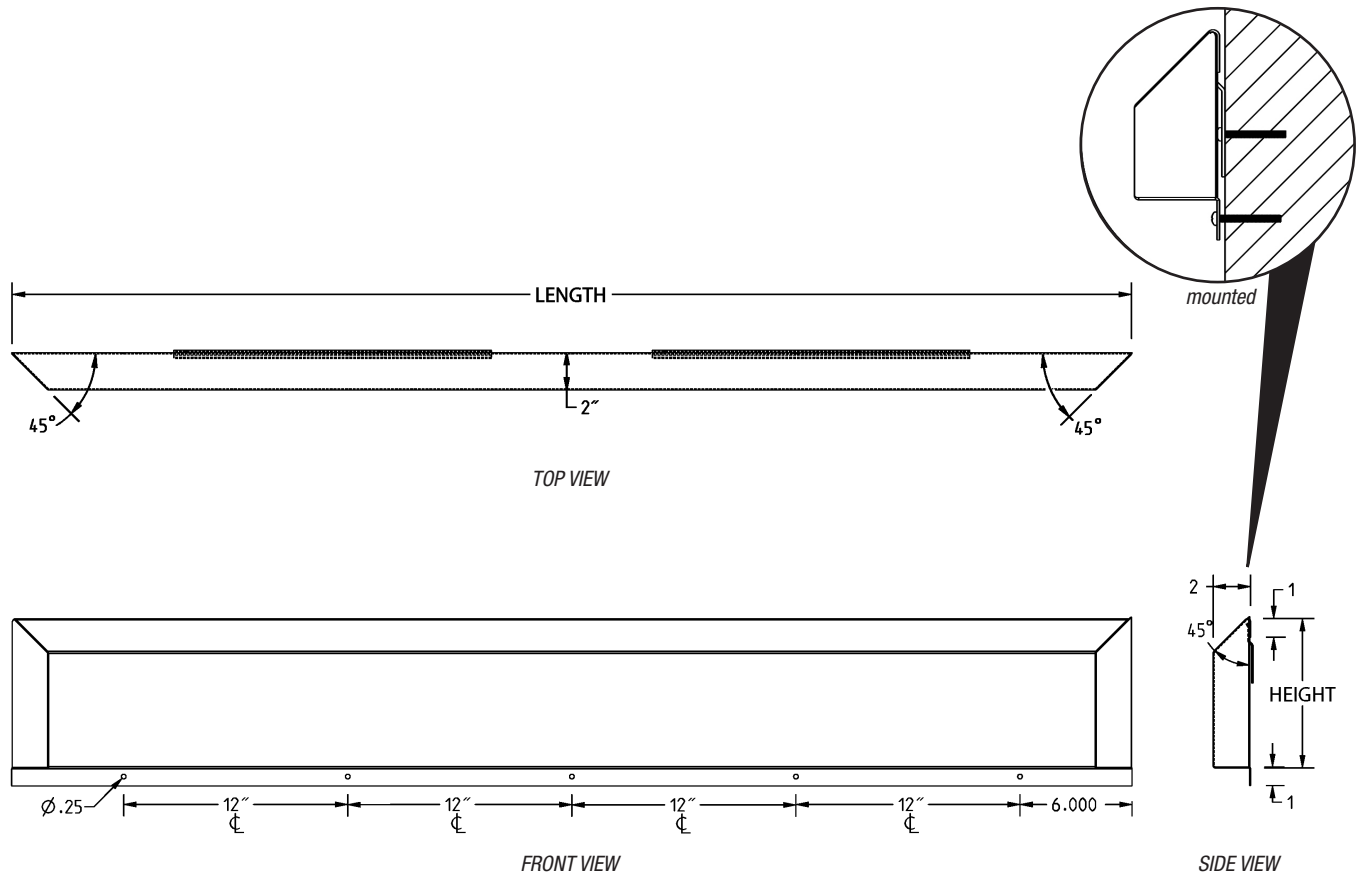

For custom configuration or fabrication needs, contact our **SpecFAB® Division**.
