## RedHots® Stainless Heat Lamps

### Design and Construction Features

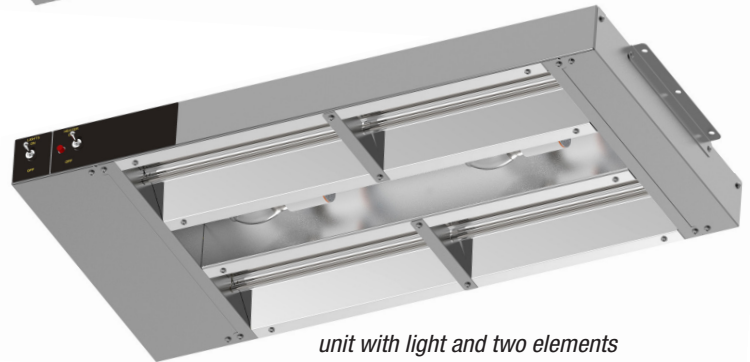

- 120V, 208V, 240V units available
- Standard and high-watt units offered
- Units with lights feature bulbs with shatter-proof coating
- Lights have dedicated switch
- Stainless steel exterior
- Aluminized reflector plate to focus heat
- Toggle switches with indicator light for heating elements
- Optional remote switch boxes available with toggle switch or infinite switch (specify when ordering). To order, add suffix “-R” to end of model number (ex: SRHHL-36-240-H-L-R). All switches come with indicator light (see chart below for applicable Remote Switch Box, see back page for all Heat Lamps).
