### EAGLE OFFERS PERSONALIZED BRANDING!

Eagle offers personalized branding of graphic designs as an option on portable bars, Director's Choice® cafeteria serving units, Grab-N-Go carts and SpecFAB® custom counters.

Select from stainless steel, various plastics, laminates, solid surface man-made and naturally occurring materials, woods, magnetic sheets and designer aluminum. We provide a 3D rendering of your logo or design prior to production.

Here's an idea, **LIGHT IT UP!**

Laser etched cast acrylic or multi layer acrylic effects. Lighting options include low voltage LED in single or variable colors. Stainless steel or millwork trim completes the custom look.
