

2026 Continuing Education Program Fall 2026 Session

Consultant Education Program

Eagle Group is proud to be a continuing education partner with FCSI. Since 2009, Eagle Group has supported this effort with educational seminars held at our facility in Clayton, Delaware.

During the course of your stay, you will get first-hand experience into the custom fabrication process. You will see how the process has evolved through the years, and the various steps required in taking a piece of equipment from the drawing and design stage to the finished product. During the plant tour you will see one of the most modern manufacturing facilities that our industry has to offer. You can earn a total of 5.25 credits for attending this 2-day program.

Where: Eagle Group, 100 Industrial Blvd. Clayton, DE 19938

Dates: October 14-15, 2026

Cost: Eagle Group will pay for the following expenses: Airfare (Continental US only) / 1-night hotel accommodation (room and tax) / Ground transportation between the airport and hotel, hotel and our facility and our facility back to the airport / Dinner the night of arrival / Breakfast and lunch the day of the session. Eagle Group makes all the arrangements. Flight options will be given to you for approval prior to confirming.

To apply, fill out the application on the back.
